2.1 The provisions of the Schedule annexed to these articles shall have effect as if incorporated in these articles.

2.2 Expressions referring to writing shall, unless the contrary intention appears, be construed as including references to printing, lithography, photography, and other modes of representing or reproducing words in a visible form.

2.4 Words importing the masculine gender shall include the feminine gender and words importing persons shall include corporations.

**Members**

3. The subscribers to the Memorandum of Association and such other bodies as the Network in general meeting shall admit to membership shall be member bodies of the Network.

4. Bodies may be admitted to membership of the Network in accordance with the membership admission policy adopted from time to time by the members.

5. The names of the member bodies of the Network shall be entered in the register of members. An authorised representative of every body admitted to membership of the Network shall either sign a written consent for it to become a member body or sign the register of members on its behalf.

6. An application for membership shall be made in such manner as the Trustees may determine.

**Membership Fees**

7. There shall be an annual membership fee for all member bodies of an amount or amounts to be determined from time to time by the Network in general meeting. Membership fees shall be paid on such dates and in such manner as determined by the Trustees.

8. The Trustees may reduce, vary or waive the membership fee for any member body.

**Resignation**

9. A member body may resign by one month's written notice to the Secretary but shall not be entitled to a refund of any part of the annual membership fee.

10. A member body whose membership fee is more than 18 months in arrears (or such other period as the Network in general meeting may determine) shall be deemed to have resigned.

11. Unless the Trustees or the member bodies in general meeting shall make other provision pursuant to the powers contained in Articles 100 to 103 (Rules or Bye-Laws) the Trustees may in their absolute discretion permit any member body of the Network to withdraw from
membership provided that after such withdrawal the number of member bodies is not less than three. Membership shall not be transferable.

**Expulsion**

12. The Network in general meeting may resolve to expel any member body when, in its opinion, it would not be in the interests of the Network for it to remain a member body.

13. The resolution referred to in Article 12 shall not be passed unless the member body has been given at least 28 clear days’ notice that the resolution is to be proposed, specifying in writing the circumstances alleged to justify expulsion, and has been afforded a reasonable opportunity of being heard by or of making written representations to the members. A member body expelled by such resolution shall nevertheless remain liable to pay to the Network any subscription or other sum owed by it. Nothing in this Article applies to the revocation of membership of a provisional member in accordance with the membership admission policy adopted from time to time by the members.

**General Meetings**

14. The Network shall each year hold an Annual General Meeting (“AGM”) in addition to any other general meetings in that year, and shall specify the meeting as such in the notices calling it; and not more than fifteen months shall elapse between the date of one AGM of the Network and that of the next. The AGM shall be held at such time and place as the Trustees shall appoint.

15. The Trustees may, whenever they think fit, convene a general meeting. The Trustees shall call a general meeting on receiving a requisition to that effect, signed by at least 5% of the member bodies having the right to attend and vote at general meetings. In default, the requisitionists may call a general meeting in accordance with the Companies Acts.

**Notice of General Meetings**

16. All general meetings shall be called by at least fourteen clear days’ notice in writing unless the Companies Acts require a longer notice period.

17. A general meeting of the Network shall, notwithstanding that it is called by shorter notice than that specified in Article 16, be deemed to have been duly called if it is so agreed:

(a) in the case of the AGM, by all the representatives of member bodies entitled to attend and vote; and

(b) in the case of any other meeting, by a majority of the member bodies having a right to attend and vote at the meeting, being a majority together representing not less than ninety per cent of the total voting rights at that meeting of all the member bodies.

18. Notice of general meetings shall be given to every member body, to the Trustees, to any Honorary Officers and to the auditors of the Network.

19. The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings of that meeting.

20. Notice of general meetings shall be served in accordance with Articles 92 to 97.

21. The Notice shall specify the place, the day and the hour of the meeting and, in case of special business, the general nature of that business. There must also appear with reasonable prominence a statement informing the member body of its rights to appoint another person as a proxy to speak and vote on its behalf at a general meeting.
Proceedings at General Meetings

22. The business to be transacted at an AGM shall include the consideration of the accounts, balance sheets, and the reports of the Trustees and auditors, the election of Trustees in the place of those retiring and the appointment of, and the fixing of the remuneration of, the auditors.

23. No business shall be transacted at any general meeting unless a quorum of the representatives of member bodies is present at the time when the meeting proceeds to business. The quorum shall be the greater of:

23.1 three representatives present in person or by proxy; or

23.2 one-fifth of the membership present in person or by proxy.

24. If within half an hour from the time appointed for the meeting a quorum is not present, the meeting shall be adjourned to the same day in the next week at the same time and place, or to such other day and at such other time and place as the Trustees may determine.

25. An elected Chair or Co-Chair of the Trustees shall chair every general meeting of the Network or if not present within fifteen minutes after the time appointed for holding the meeting, or is unwilling to act, another Trustee, whom the Trustees present shall choose, shall chair the meeting.

26. If at any meeting no Chair or Co-Chair of the Trustees is present and no Trustee is willing to act as Chair within fifteen minutes after the time appointed for holding the meeting, the representatives of member bodies present shall choose one of their number to chair the meeting save that a proxy holder who is not a representative of a member body entitled to vote shall not be entitled to be appointed Chair.

27. A Trustee shall, notwithstanding that they are not a representative of a member body of the Network, be entitled to attend and speak at any general meeting.

28. The Chair may, with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting), adjourn the meeting from time to time and from place to place, but no other business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place. When a meeting is adjourned for fourteen days or more, notice of the adjourned meeting shall be given as in the case of an original meeting. Otherwise it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.

29. At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless a poll is (before or on the declaration of the result of the show of hands) demanded:

(a) by the Chair; or

(b) by representatives of at least five member bodies present in person or by proxy and having the right to vote at the meeting.

30. Unless a poll is so demanded, a declaration by the Chair that a resolution has on a show of hands been carried or carried unanimously, or by a particular majority, or lost shall be accepted. An entry to that effect in the minutes of proceedings of the Network shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

31. The demand for a poll may be withdrawn before the poll is taken, but only with the consent of the Chair. The withdrawal of the demand for a poll shall not invalidate the result of a show of hands declared before the demand for the poll was made.
32. A poll demanded on a question of adjournment shall be taken immediately. A poll demanded on any other question shall be taken at such time and in such manner as the Chair of the meeting directs, not being more than thirty days after the poll is demanded, and any business other than that upon which a poll has been demanded may proceed pending the taking of the poll. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

33. No notice need be given of a poll not taken immediately if the time and the place at which it is to be taken are announced at the meeting at which it is demanded. In other cases at least seven clear days’ notice shall be given specifying the time and place at which the poll is to be taken.

Votes of Member Bodies

34. On a show of hands every person present and entitled to vote shall have a maximum of one vote. On a poll every member body present in person or by proxy shall have one vote.

35. In the case of an equality of votes, whether on a show of hands or on a poll, the Chair of the meeting shall be entitled to a second or casting vote in addition to any other vote he may have.

36. Every member body entitled to vote at a general meeting may appoint a proxy to vote on its behalf.

37. Any organisation which is a member body of the Network may by resolution of its trustees or other governing body authorise such person as it thinks fit to act as its representative at any general meeting of the Network. Each member body shall notify the Network of its authorised representative. The member body may replace its authorised representative with another individual by giving notice to the Network.

38. No member body whose membership fees are in arrears may vote at any general meeting, nominate any person to stand as a Trustee or vote in any Trustee election.

39. No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is tendered, and every vote not disallowed at the meeting shall be valid. Any objection made in due time shall be referred to the Chair whose decision shall be final and conclusive.

40. A vote given or poll demanded by the duly authorised representative of a member body shall be valid notwithstanding the previous termination of the authority of the person voting or demanding a poll unless notice of the termination was received by the Network at the registered office before the commencement of the meeting or adjourned meeting at which the vote is given or the poll demanded or (in the case of a poll taken otherwise than on the same day as the meeting or adjourned meeting) the time appointed for taking the poll.

Proxies

41. The appointment of a proxy shall be in such form which the Trustees approve. Unless the appointment of a proxy indicates otherwise, it must be treated as:

41.1 allowing the person appointed under it as a proxy discretion as to how to vote on any ancillary or procedural resolutions put to the meeting; and

41.2 appointing that person as a proxy in relation to any adjournment of the general meeting to which it relates as well as the meeting itself.

42. The appointment of a proxy and any authority under which it is executed or a copy of such authority in some way approved by the Trustees may:
42.1 in the case of an instrument in writing be deposited at the registered office of the Network or at such other place within the United Kingdom as is specified in the notice convening the meeting or in any instrument of proxy sent out by the Network in relation to the meeting at least 48 Hours before the time for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote; or

42.2 in the case of an appointment sent by electronic means, where an address has been specified for the purpose of receiving documents or information by electronic means:

42.2.1 in the notice convening the meeting; or

42.2.2 in any instrument of proxy sent out by the Network in relation to the meeting; or

42.2.3 in any invitation to appoint a proxy issued by the Network in relation to the meeting which is sent by electronic means;

be received at such address not less than 48 Hours before the time for holding the meeting or adjourned meeting at which the person named in the appointment proposes to vote;

42.3 in the case of a poll taken more than 48 Hours after it is demanded, be deposited or received as aforesaid after the poll has been demanded and at least 24 Hours before the time appointed for the taking of the poll; or

42.4 where the poll is not taken forthwith but is taken not more than 48 Hours after it was demanded, be delivered at the meeting at which the poll was demanded to the chair or to the Secretary (if any) or to any Trustee;

and an appointment of proxy which is not deposited, delivered or received in a manner so permitted shall be invalid.

43. A vote given or poll demanded by proxy or by the duly authorised representative of a corporation shall be valid notwithstanding the previous termination of the authority of the person voting or demanding a poll unless notice of the termination was received by the Network at the registered office of the Network or at such other place at which the appointment of the proxy was duly deposited or, where the appointment of the proxy was sent by electronic means, at the address at which such appointment was duly received, before the commencement of the meeting or adjourned meeting at which the vote is given or the poll demanded or (in the case of a poll taken otherwise than on the same day as the meeting or adjourned meeting) the time appointed for taking the poll.

44. An appointment of a proxy may be revoked by delivering to the Network a notice given by or on behalf of the person by whom or on whose behalf the proxy notice was given. A notice revoking the appointment of a proxy only takes effect if it is delivered before the start of the meeting or adjourned meeting to which it relates. Attendance by a member body in person at a meeting automatically revokes any appointment by that member body of a proxy.

**Written Resolutions**

45. A written resolution of the Network passed in accordance with these Articles 45 to 52 shall have effect as if passed by the Network in general meeting:

45.1 A written resolution is passed as an ordinary resolution if it is passed by a simple majority of the total voting rights of eligible member bodies.

46. No member body whose membership fees are in arrears may vote by written resolution or
nominate any person to stand as a Trustee.

Communications in relation to written resolutions shall be sent to the Network’s auditors in accordance with the Companies Acts.

50. A member body signifies its agreement to a proposed written resolution when the Network receives from it an authenticated document identifying the resolution to which it relates and indicating its agreement to the resolution.

50.1 If the document is sent to the Network in hard copy form, it is authenticated if it bears the signature of the member body’s authorised representative (appointed in accordance with Article 37.

50.2 If the document is sent to the Network by electronic means, it is authenticated if it bears the signature of the member body’s authorised representative or if the identity of the member body’s authorised representative is confirmed in a manner specified by the Trustees.

51. A written resolution is passed when the required majority of eligible member bodies have signified their agreement to it.

52. A proposed written resolution lapses if it is not passed within 56 days beginning with the circulation date.

Trustees which would have been valid if that regulation had not been made.

62. A retiring Trustee shall be eligible for re-election subject to eligibility under any applicable Rule or Bye Law.

No person shall, unless directly nominated by the board of Trustees or by particular categories of membership in accordance with any applicable Rule or Bye Law, be eligible for election at any general meeting unless, not less than thirty nor more seventy days before the date set for the AGM, there shall have been left at the registered office of the Network notice in writing signed by a representative of a member body qualified to attend and vote at the meeting for which such notice is given, of their intention to propose such person for election, and also notice in writing signed by that person of their willingness to be elected. The notice shall give the particulars of that person which would, if they were so appointed, be required to be included in the register of Trustees.

64. Where, under a Rule or Bye Law, Trustees are directly nominated by the board of Trustees or particular categories of member body, these nominations must be finalised and all required documentation received by the Network no less than 30 days before the AGM.

79.3 the date of the decision shall be the date of the communication from the Recipient confirming formal approval;

79.4 the Recipient prepares a minute of the decision.

Conflicts of Interest

80. Whenever a Trustee finds himself or herself in a situation that is reasonably likely to give rise to a Conflict of Interest, he or she must declare his or her interest to the Trustees unless, or except to the extent that, the other Trustees are or ought reasonably to be aware of it already.

81. Whenever a matter is to be discussed at a meeting or decided in accordance with Article 78 and a Trustee has a Conflict of Interest in respect of that matter then, subject to Article 83, he or she must:

81.1 remain only for such part of the meeting as in the view of the other Trustees is necessary to inform the debate;

81.2 not be counted in the quorum for that part of the meeting; and

85. A Trustee shall not be accountable to the Network for any benefit which he or she derives from any matter, or from any office, employment or position, which has been authorised by the Trustees in accordance with Article 83 (subject to any limits or conditions to which such approval was subject).

86. When a Trustee has a Conflict of Interest which he or she has declared to the Trustees, he or she shall not be in breach of his or her duties to the Network by withholding confidential information from the Network if to disclose it would result in a breach of any other duty or obligation of confidence owed by him or her.

87. Where a Trustee’s Conflict of Interest arises because the Trustee or an organisation which has nominated him or her will receive benefits from the Network which are generic benefits conferred on some or all beneficiaries of the Network (ie benefits which are not specific to that Trustee or the organisation which has nominated him or her), the provisions of Article 81 shall not apply and the Trustee, having declared his or her Conflict of Interest may remain at and contribute to discussion at the meeting, be counted in the quorum and vote on the matter.

by the Trustees for the purpose.
